

## Federal Grants & Funding

Federal funding is available through a variety of sources. As you plan your budget for the year, use the table below to identify which federal funding would be best for your project.

Federal Funding Source	Specific Section of Funding Source	Description	Participation Fee(s)	Professional Development	Equipment & Supplies
ESSA	Title I Part A	Formula grant program to help students meet academic through programs, activities, local strategies	x	x	x
ESSA	Title II Part A	Formula grant program to improve teacher effectiveness, reduce teacher shortages, and improve access to effective teachers for students from low-income backgrounds.		x	x
ESSA	Title III	Formula grant program to help English Language Learners attain English language proficiency and meet challenging academic standards and provide effective language instruction.	x	x	x
ESSA	Title IV Part A	Block grant focused on increasing student access to a well-rounded education, ensuring students are safe and healthy, and integrating technology into schools to improve teaching and learning.	x	x	x
ESSA	Title IV Part B	Grant program to support community learning centers implementing educational programs, with an emphasis on STEM, computer science, and career readiness.	x	x	x
ESSA	Rural and Low-Income Schools Program	The Rural and Low-Income Schools (RLIS) Program provides grant funds to rural school districts that serve concentrations of children from low-income families. RLIS funds support a range of authorized activities in order to assist the school districts in meeting the state's definition of Adequate Yearly Progress (AYP). Based on ADA	x	x	x
ESSA	School Improvement Grants (SIG)	This is a competitive grant to aid in school transformation. Eligibility for this grant extends to all schools currently identified as Comprehensive Support and Improvement (CSI) and Targeted Support and Improvement (TSI) under Indiana's ESSA Plan.	x	x	x
CSP	Quality Counts	The Charter School Program (CSP) Quality Counts Grant is a federally funded program that emphasizes the opening, expansion, or replication of high-quality charter schools to ensure all students, particularly those from underserved populations, have the opportunity to meet Indiana's challenging academic standards. The funding shall be used to provide financial assistance for planning, program design, initial implementation, expansion, or replication of high-quality public charter schools.		x	x
